1. Terms and Conditions

1. *Conclusion of a contract.* By using this Model Contract (or sections thereof), every User of the Model Contract (hereinafter "User") acknowledges the following Terms and Conditions. These Terms and Conditions are agreed between each User and KfW without requiring that KfW receives the User's acceptance of the Terms and Conditions associated with the use of the Model Contract.

2. *Liability of KfW.* KfW assumes no liability for damages arising from or in connection with the use of the Model Contract, except for intent, gross negligence and injury to life, body or health.

3. *Limitation of the responsibilities of KfW.* KfW has prepared the Model Contract as an example of a contract for consulting services, for which KfW grants its consent in principle. However, KfW assumes in particular no obligation for the review of:

- the legal and factual accuracy of the Model Contract by obtaining internal or external legal advice,
- the factual accuracy of the circumstances underlying the Model Contract,
- the suitability of the Model Contract for the purposes of the User,
- the balance of the Model Contract versus the individual interests of the specific User,
- the contractual drafts prepared using the Model Contract that are submitted to KfW, e.g., for consent, and

4. *Obligations of the User.* Every User shall:

- use the Model Contract only after performing a thorough individual review and making the necessary modifications for the specific circumstances.
- engage legal counsel to review the contractual draft based on the Model Contract prior to the conclusion of a contract, in order to investigate the enforceability and effectiveness of the contract under the applicable legislation.

II. Notes for the User

KfW expressly refers every User of the Model Contract to the following:

- KfW prepared this Model Contract based on the FIDIC agreement for consulting services ("White Book"), in order to provide partners of KfW with wording assistance for their contractual relationships with consultants. At the same time, use of this Model Contract facilitates the consent of KfW.
- The Model Contract was not developed based on any specific legal jurisdiction; instead, the choice of governing law is left to the contracting parties. KfW has not investigated whether modifications of the Model Contract are necessary so that it can be used under the respective potential jurisdictions.
- The Model Contract must be adapted to the individual needs of the specific User and should only be signed after the User has reviewed whether the specific contractual provisions are suitable for his individual purposes.

3.2

STANDARD AND SPECIAL SERVICES

- 3.2.1 In addition to the Services specified explicitly in the Contract, the Consultant shall also perform all other services, if necessary, that are not listed under the contractual services, but are customarily required in order to properly discharge the contractual obligations ("**standard services**"). The standard services shall be fully compensated through the Agreed Remuneration.
- 3.2.2 "**Special Services**" are services that are not included under the contractual or standard services, but must necessarily be delivered by the Consultant in order to properly perform its duties under the Contract, because the external circumstances of service delivery have changed unexpectedly, or because the Employer has suspended the Services pursuant to Paragraph 4.5 [*Force majeure*], or because the Employer, with the prior consent of KfW, requires services that were not included in the invitation to tender but are necessary.

3.3 DUE DILIGENCE

3.3.1 Except where otherwise stipulated in this Contract, or otherwise legally stipulated within the country or within another legal system (including the legal system in the Consultant's jurisdiction) by provisions that impose higher demands than this Contract, when performing its obligations under this Contract the Consultant shall exercise due diligence and provide the Services in compliance with professional practice and to the recognised quality standards, in accordance with current scientific and generally accepted engineering standards. The Consultant must document its work, the progress of the Project and the decisions it takes in an appropriate form that is acceptable to the Employer, bearing in mind the requirements arising from Paragraph 5.7 [*Auditing*].

3.4 REPORTING

- 3.4.1 The Consultant shall report to the Employer and KfW on the progress of the Services in accordance with the Special Conditions. Except where otherwise stipulated in the Special Conditions, in case of longer assignments such as construction management, training or operational support, the Consultant shall draw up quarterly reports, and following the conclusion of the Services draw up a final report covering the entire Completion Period. The reports shall include a comparison of targeted and actual values for the planned activities; the progress of construction; developments in the time frame; financial developments; and information on any problems and identification of possible solutions.
- 3.4.2 The Consultant shall inform the Employer promptly of all extraordinary circumstances that arise during the performance of the services and of all matters requiring KfW's approval.
- 3.4.3 Furthermore, the Consultant shall, upon request, supply the Employer with information in connection with the Services.

3.5 STAFFING

- 3.5.1 The Consultant shall employ the staff specified in Annex 5 [Staffing Schedule] to implement performance of the Services. The list of designated key staff and any changes to it shall require the prior written approval of the Employer and KfW.
- 3.5.2 The Employer may require the Consultant to terminate the contract of, or replace, any staff member who fails to meet the requirements or violates Paragraph 1.13 [Conduct]. Any such demand must be submitted in writing to the Consultant stating the reasons for it.
- 3.5.3 If staff employed by the Consultant need to be replaced, the Consultant shall ensure that the staff member in question is replaced promptly by an individual who possesses at least equivalent qualifications.
- 3.5.4 If any one of the Consultant's staff falls ill for more than one month and this jeopardises the performance of this Contract by the Consultant, the Consultant shall replace this staff member with another staff member who possesses at least equivalent qualifications.
- 3.5.5 Staff shall only be replaced after prior approval by the Employer, such approval not to be unreasonably withheld. The exchange, replacement, or planned dispensation of replacement (as exception to existing rules) of key staff specified by name shall require the prior approval of KfW.
- 3.5.6 If the Consultant must terminate the contract of, or replace, any staff during the Contract period, the costs thus accrued shall be borne by the Consultant, except where staff are removed or replaced at the Employer's request. In this case, the Employer shall meet the costs of replacing the staff member, unless the staff member in question does not meet the requirements or has violated Paragraph 1.13 [Conduct].

3.6 CONTACT PERSON OF THE CONSULTANT

- 3.6.1 The Consultant shall appoint for the exercise of all rights and obligations arising from this Contract a natural person as its contact person for the Employer under this Contract.

**3.7
INDEPENDENCE OF THE
CONSULTANT**

- 3.6.2 The Consultant shall specify and provide respective contact data to the Employer and KfW for an individual at the Consultant's place of business who can be reached at any time in cases of emergency or crisis as well as a deputy of the Consultant. The Consultant shall notify the Employer and KfW without delay of any change of elected person or their contact data.
- 3.7.1 The Consultant undertakes that neither the Consultant nor any enterprise associated with the Consultant shall bid for the Project as manufacturer, supplier, or building contractor. This prohibition also applies to any bidding for any further consulting services, insofar as such consulting services might lead to a restriction of competition or a conflict of interests. Any violation of this stipulation may lead to the immediate cancellation of this Contract and require the reimbursement of any and all costs incurred by the Employer up to the time of such violation as well as compensation for any and all losses and damages incurred by the Employer as a result of such cancellation.

Paragraph 4 Commencement, Completion, Amendment and Termination of the Services

4.1 COMMENCEMENT AND COMPLETION

- 4.1.1 The Consultant shall begin performing the Services on the prescribed date on which execution of the Contract shall take place, but not earlier than and without undue delay after the Contract has come into force. The Consultant shall deliver the Services in accordance with the time schedule in Annex 7 [Time Schedule for the Performance of the Services], and shall complete the Services within the Completion Period, subject to any further extensions to this Contract.
- 4.1.2 In relation to optional services (if any), the Consultant shall commence delivery of the optional services not earlier than upon receipt of notification from the Employer, subject to the Employer having received KfW's prior consent.
- 4.1.3 Any change to the time schedule in **Annex 7** [*Time Schedule for the Performance of the Services*] due to a reasonable request by either party shall be mutually agreed upon in writing.

4.2 PENALTIES FOR DELAY

- 4.2.1 If the Consultant fails to perform any of the Services under this Contract within the requisite time period, for reasons he must warrant, the Employer shall, unless the Special Conditions include a derogation, be authorised to inflict a penalty of 0.5% of the Order Value for every week of delay, subject to a cap of 8% of the Order Value. Beyond such penalty, the Employer may not bring any further claims arising from the delay in the performance of the Services. The right of termination shall remain unaffected.

4.3 AMENDED SERVICES

- 4.3.1 Subject to the prior consent of KfW, the Employer shall be entitled to require an amendment of the Contract (amended or additional services or amended deadlines/periods for execution – "**amended services**").

- 4.3.2 In this case, the Agreed Remuneration and the Completion Period shall be adjusted accordingly by mutual agreement of the parties. The Consultant shall submit proposals for performance of and remuneration for the amended services.
- 4.3.3 The Consultant shall execute the amended services if the Employer agrees, in writing, to the remuneration proposal. If the parties do not agree on the remuneration proposal within three months of the Consultant commencing delivery of the Services, the entitlement to remuneration shall be treated as a dispute under Article 8 [*Disputes and Arbitration Procedure*].

4.4 IMPEDIMENT

- 4.4.1 If the performance of the Services is impeded or delayed by the Employer or the Employer's contractual partners ("impediment") such that the impediment leads to an increase in the costs, the scope or the duration of the Services, the Consultant shall immediately notify the Employer of the circumstances and the possible consequences.
- 4.4.2 If an impediment falls within the sphere of risk of the Employer or if the impediment is caused by the Employer through intent or gross negligence, the Consultant shall be entitled to reimbursement of the costs incurred by it as a result of the impediment, subject to these costs being evidenced.

4.5 FORCE MAJEURE

- 4.5.1 In the event of Force Majeure, the contractual obligations, as far as affected by such event, shall be suspended for as long as performance remains impossible due to the Force Majeure, provided that one party to the Contract receives notification of the Force Majeure event from the other party within two weeks after its occurrence. Any and all liability of the Consultant for damages arising due to its absence caused by the Force Majeure is excluded.
- 4.5.2 In the event of Force Majeure, the Consultant shall be entitled to an extension of the Contract equal to the delay caused by such Force Majeure. If the performance of the Services is rendered permanently impossible by the Force Majeure, or if the Force Majeure event lasts for

longer than 180 days, both parties to this Contract shall be entitled to terminate the Contract.

4.5.3 In case of suspension or termination of the Contract due to Force Majeure, the Services performed up to the time of the Force Majeure and all necessary expenditure (which is evidenced) of the Consultant arising from the discontinuing of the Services shall be invoiced on the basis of contractual prices. Neither party shall make any further claims.

4.6 SUSPENSION OR TERMINATION

4.6.1 The Employer may, with the prior consent of KfW, fully or partially suspend the Services or terminate this Contract after serving written notice of at least 30 days. In this event, the Consultant must immediately take all measures necessary to ensure that the Services are discontinued and the expenditure minimised. The Consultant shall hand over all reports, drafts and documents to be drawn up by the date in question to the Employer. If the suspension lasts longer than 180 days the Consultant may terminate the Contract. In case of termination Paragraph 4.5.3 [Force majeure] shall apply mutatis mutandis.

4.6.2 If the Consultant fails to meet its contractual obligations without sufficient reason; in accordance with the Contract; or on time, the Employer may serve a notice upon the Consultant and request it to duly perform its Services. If the Consultant fails to remedy the performance deficit within a period of 21 days of having been called upon to do so by the Employer, the Employer shall be entitled, after this period has elapsed, to terminate the Contract by written notice.

4.6.3 The Consultant may terminate this Contract if any amounts due and payable to it under this Contract have not been paid within 60 days after the receipt of the corresponding invoice, as long as the Consultant has given the Employer a written reminder within a period of 30 days after the initial 60 day deadline has passed and the Employer does not pay the due amounts within a further period of 30 days after this notice.

4.6.4 If the termination of the Contract is not due to a default on the part of the Consultant, the Consultant shall be entitled to demand the

Agreed Remuneration. The Consultant must, however, mitigate its loss and deduct any proceeds of such mitigation, which shall include (i) any remuneration paid to the Consultant working on other projects during the time the Consultant was scheduled to work on the Project (ii) any remuneration that the Consultant would have earned working on other projects during the time the Consultant was scheduled to work on the Project, but which the Consultant has not received as a result of the Consultant's wilful actions or omissions.

4.6.5 If the termination of the Contract is due to a default on the part of the Consultant, the Consultant shall be entitled to demand the Agreed Remuneration for the Services performed until the date of termination but not yet remunerated. The Employer shall be entitled to demand compensation for the direct damages caused by the default.

4.7 CORRUPTION AND FRAUD

4.7.1 If it is proven that the Consultant has breached Paragraph 1.14 [*Corruption and fraud*], the Employer may, notwithstanding the various punishments or other sanctions to which the Consultant is subject according to the law of the country or any other legal system, terminate this Contract in writing. The Employer may also terminate this Contract in writing if the Declaration of Undertaking submitted by the Consultant in conjunction with its bid is untrue.

4.8 RIGHTS AND OBLIGATIONS OF THE PARTIES IN CASE OF TERMINATION

4.8.1 Termination of the Contract shall not prejudice or affect the rights, claims or obligations of the parties until the date on which the cancellation takes effect.

Paragraph 5 Remuneration

5.1 REMUNERATION OF THE CONSULTANT

5.1.1 The Consultant shall receive the remuneration agreed in the Special Conditions for performing the Services owed under this Contract, subject to the conditions listed therein and the conditions below. **Annex 8** [*Statement of Costs*] contains a detailed list of conditions.

5.2 TERMS OF PAYMENT

5.2.1 Except where otherwise agreed in the Special Conditions, the Employer shall pay the Consultant's remuneration as follows:

- (a) **Advance payment**, due within 30 days of execution of this Contract upon presentation of an invoice.
- (b) The **instalments** shall be paid upon presentation of corresponding invoices with a maximum of one payment per quarter. The first invoice for the first instalment shall be presented, at the earliest, 3 months after the contractually agreed commencement of the Services. The Employer shall have the right to suspend payment of instalments at any stage in the event of substantial deviations from the time schedule and/or insufficient performance on the part of the Consultant. This right shall also apply to payments which are not based on output-related evidence of performance. If the payment of instalments is suspended, the Employer must proceed in accordance with Paragraph 5.6 [*Objections to Invoices*].
- (c) The **final payment** shall be made after the Services have been performed in full and confirmation had been provided by the Employer and KfW to that Consultant.

5.2.2 Only in cases of agency contracts: the Consultant's invoices shall be addressed to the Employer "c/o KfW". KfW shall receive the

original invoice. A copy of the invoice shall be sent to the Employer directly. The original final invoice is to be addressed to the Employer, and KfW will receive a copy.

- 5.2.3 Any guarantees shall be in the form set out in Annexes 10 and 11 and shall always be provided as bank guarantees made out to the Employer as beneficiary. They must be acceptable to the Employer and KfW. The original of the guarantee shall be sent to the Employer, with a copy, together with a confirmation of delivery of the original, to be sent to KfW.

5.3 METHOD OF PAYMENT

- 5.3.1 Payment shall be made according to the conditions set out in the Special Conditions.

5.4 PRICE ADJUSTMENT

- 5.4.1 Except where agreed otherwise in the Special Conditions, the following conditions shall apply with respect to prices. The prices specified in **Annex 8 [Statement of Costs]** shall apply to the Completion Period specified in the Special Conditions and for a period of 3 months thereafter. After this date, prices may be adjusted if the official level of prices and wages in the Consultant's country of origin (Foreign Currency costs) or in the Employer's country (Local Currency costs) has increased, as measured using the base indices specified in the Special Conditions, and this is proven by the Consultant. The following formula shall be used to calculate this:

$$P_n = P_o \cdot (0.15 + 0.85 \cdot L_n/L_o)$$

P_n = revised price, P_o = base price,

L_n = revised index, L_o = base index.

The price will not be calculated until publication of the final price index.

- 5.4.2 Except where otherwise agreed in writing, the Consultant shall only be entitled to remuneration for special services if the services are amended pursuant to Paragraph 4.3 [*Amended Services*].

**5.5
PAYMENT DEADLINE**

- 5.5.1 Except in relation to advance payment and where otherwise stated in the Special conditions, payment shall be made within 60 days of presentation of a verifiable invoice by the Consultant to the Employer.
- 5.5.2 If the Employer does not make the payment within the period set out in Paragraph 5.5 [*Payment Deadline*], except where the Employer has raised an objection pursuant to Paragraph 5.6 [*Objection to Invoices*], the Consultant shall be paid compensation at the rate agreed in the Special Conditions. This shall be calculated on a daily basis from the date on which the invoice fell due in the currency agreed. The agreed compensation shall satisfy all the Consultant's claims arising from the Employer's delay.

**5.6
OBJECTION TO INVOICES**

- 5.6.1 Should the Employer object to the whole or part of an invoice of the Consultant, the Employer shall notify the Consultant of its intention to withhold payment and shall state the reasons why. If the Employer objects only to a part of the invoice, it shall pay that part of the invoice to which it has not objected within the period specified in Paragraph 5.5 [*Payment Deadline*].

**5.7
AUDITING**

- 5.7.1 For services or part services that are not remunerated on a lump-sum basis, the Consultant shall be obliged to maintain up-to-date records that meet professional standards and that clearly and systematically indicate the services provided and the time and expense involved. The Consultant shall permit the Employer and KfW to audit these records at any time and make copies of them during the term of the Contract.

**5.8

- 5.8.1 The Special Conditions shall indicate the currency applicable to the Contract.

Paragraph 6 Liability

6.1

LIABILITY OF THE CONSULTANT FOR BREACHES OF CONTRACT FOR WHICH HE IS RESPONSIBLE

- 6.1.1 The Consultant shall be liable to the Employer for verifiably culpable breaches of its contractual obligations, particularly breaches of Article 3 [*The Consultant*]. The liability of the Consultant shall be limited to the respective insurance sum, insofar as this is higher than the Order Value. Otherwise the liability of the Consultant shall be limited to the Order Value. This shall not affect the liability for premeditation and gross negligence.

- 6.4.1 Liability for consequential damage is excluded.

6.5

- (a) **professional liability insurance;**
- (b) **personal liability insurance;**
- (c) **equipment insurance covering loss of or physical damage to all equipment acquired, used, provided or paid for by the Employer within the context of this Contract; and**
- (d) **motor vehicle third party liability insurance and motor vehicle comprehensive insurance for the vehicles acquired in connection with this Contract.**

7.1.2 The costs incurred in connection with the insurance specified in Paragraph 7.1.1 [*Insurance Against Liability and Damages*] shall be fully compensated by the Agreed Remuneration.

Paragraph 8 Disputes and Arbitration Procedure

8.1

AMICABLE SETTLEMENT

- 8.1.1 Should a dispute arise from or in connection with this Contract, the representatives of the parties authorised to settle disputes shall, within 21 days of one party submitting a written request to the other party, endeavour in good faith to settle the dispute amicably.

8.2

MEDIATION

- 8.2.1 If an amicable settlement cannot be reached within a period of 3 months after the written request pursuant to Paragraph 8.1 [*Amicable Settlement*], the parties may, insofar as both sides agree, attempt to settle the dispute in accordance with the Special Conditions by way of mediation prior to initiating arbitral proceedings. Notwithstanding this, the parties may agree to begin mediation immediately. Unless the parties agree otherwise within a period of 14 days, either party may require that the mediator is appointed by the institution named in the Special Conditions.

Mediation shall begin no later than 21 days after the mediator has been appointed. The mediation process shall be implemented in accordance with the procedure selected by the appointed mediator.

All negotiations and talks held in the course of mediation shall be treated confidentially, unless they are concluded in a written, legally binding contract.

If the parties accept the recommendations of the mediator or agree to settle the dispute another way, the agreement reached shall be recorded in writing and signed by the representatives of the parties.
