**Implementing agency:** Departamento Nacional de Planeación (DNP)

## Ex post evaluation report: 2019

	Phases I-V (Planned)	Phases I-V (Actual)
Investment costs (total)	430,00	430,00
Counterpart contribution	0,00	0,00
Funding **	430,00	430,00

\*) Random sample 2019

\*\*) plus Study and expert funds of EUR 1,62 million

The ex-post evaluation serves two purposes, accountability and systematic learning. That is the reason, why the executive summaries of the reports are normally published in the internet. In some exceptional cases, those summaries cannot be published, e.g. due to contractual clauses.
